Summer is a time when children want to be free to be themselves and to dive into the activities that excite them the most! Kids’ Country offers each child a tailored experience at a competitive cost. You can always count on our high quality staff who commit themselves to providing innovative programs hosted in dedicated spaces for memorable summer fun! We hope to see you at Kids’ Country Summer Camp 2017!

OUR TAILORED EXPERIENCE: Kids’ Country offers a variety of camps at multiple convenient locations throughout SRVUSD. Mix and match weekly camps to create a summer experience that is tailor-made to your child’s specific interests! We give you the flexibility to choose the best fit for your unique camper!

OUR COMPETITIVE COST: We know that with a summer that is ten weeks long summer camp costs can add up quickly! That is why we offer camp that is up to 54% more affordable than our local summer camp competitors for all-inclusive full-day care.

OUR HIGH QUALITY STAFF: Winner of Bay Area News Group’s Top Work Place Award for 3 consecutive years, it is clear that Kids’ Country is a place our staff enjoy to work! We intentionally create an atmosphere where children feel welcome, nurtured and valued!

OUR INNOVATIVE PROGRAMS: We survey the families we serve and dedicate ourselves to professional growth year-round by attending conferences hosted by the American Camping Association, the National Afterschool Association and many other reputable leaders in our field. We utilize cutting edge strategies to ensure our camps are fun and filled with enriching experiences for our campers!

OUR DEDICATED SPACE: As a year-round licensed care provider, you can always trust our commitment to licensing and safety standards. Each of our camps are hosted in clean, air-conditioned, licensed facilities that are dedicated spaces for programming and safe, summer fun!
Traditional Camp

Designed for our classic campers of all ages, this camp is full of the fun that makes summer such a memorable time! Located at seven of our convenient sites, campers will experience themed activities, weekly water play, outdoor excitement, and entertaining field trips. Campers are sure to come away with a variety of new experiences and lifelong memories with friends old and new!

Specialty Camp

For Our Creators and Innovators

June 5 — August 10
7:30 am - 6:30 pm

Designed for our creators and innovators, our Specialty Camp will jump start your camper’s future in the world of STEAM: science, technology, engineering, art and math! Campers get to delve deeper into an interest area, work with equipment that industry professionals use and participate in hands-on workshops to build their skills. Each camp is led by our own experienced and qualified Specialists to ensure highest quality programming. To top off each week, campers will get to showcase all that they learned in a memorable end-of-the-week showcase!
Week 1 (JUNE 5-9): Musical Theater: Aladdin Jr.

Based on the iconic animated film and Academy Award-winning score, Disney’s Aladdin Jr. is sure to send audiences soaring on a flying carpet ride filled with fun and adventure! Junior Performers will learn the techniques behind dancing, singing, acting, set design, and costuming. Special guests will teach on enhancing stage presence. Junior Performers will come alive onstage at the end-of-the-week live theater production!

This camp is designed as an intensive immersion program. Please arrange for your camper to be at camp for programming each day from 9:30a-4p and at Friday’s culminating performance.

LED BY IN-HOUSE SPECIALIST: Jamie Roman  |  SHOWCASE: Theater Production

Week 2 (JUNE 12-16): Filmmaker’s Academy: Fairy Tale Spoofs

Lights, camera, action! Does your Junior Filmmaker love imagining outlandish storylines, acting out comical scenes and learning what goes into making films? Then this is the perfect camp! Not only will Junior Filmmakers learn the techniques used in filmmaking using the equipment found on movie sets, but they will also get to design and produce their own short fairy-tale spoof film. Get ready to laugh and be amazed at the end-of-the-week private screening of their creative films at Livermore’s historic Vine Theater.

LED BY IN-HOUSE SPECIALIST: Makenzie Neth  |  SHOWCASE: Vine Theater Movie Premiere

Week 3 (JUNE 19-23): Filmmaker’s Academy: Music Videos

Take two! Carrying on from the previous week, our Junior Filmmakers will create their biggest hits yet- music videos! They will choose a popular song to lip-sync to and then create a fun and original video to really make it shine! This camp will include on-location shoots, in-studio green screening, and incorporating special effects. Their very own music video premiere will take place at the end of the week at Livermore’s Vine Theater and will surely be an event to remember!

LED BY IN-HOUSE SPECIALIST: Makenzie Neth  |  SHOWCASE: Vine Theater Video Premiere

Week 4 (JUNE 26-30): STEAM: Animation Studio

Has your child ever wondered how animated movies are made? Here’s his/her chance to become a Junior Animator with Kids Country! Junior Animators will discover the world of animation by creating a movie as a team and be inspired with our annual trip to The Walt Disney Family Museum in San Francisco. To top it off, Junior Animators will get to keep everything they make including their stop-motion animation. Celebrate their unique animations by attending a very special Friday movie night!

LED BY IN-HOUSE SPECIALIST: JP Neang  |  SHOWCASE: Jr. Animators’ Movie Night

Week 5 (JULY 5-7) Creative Arts: Summer Glow Lights

Welcome to the world of color! In this summer’s Creative Arts camp we will be exploring Glow Art with a special theme: “Summer Glow Lights.” This calls for creating art in the dark! How? Our Junior Artists will create using glow in the dark paint, draw images in the air by using a method called “Light Graffiti,” make LED creations and learn a whole lot of fun science along with it. Come and light up your summer with us!

Due to the 3-day week, this camp will not have a final showcase.

LED BY IN-HOUSE SPECIALISTS: JP Neang  |  SPECIAL ACTIVITY: Glow-In-The-Dark Paint Drumming
Experience STEAM!

Week 6 (JULY 10-14) Game Design: CEO Edition
Junior Gamers will explore the world of gaming by learning how to become a CEO in a gaming company! They will make their own video game with Bloxels, test games from the decades, speak to a special guest from the industry and find out the secret to owning a successful gaming company! Junior Gamers will work together to develop and design a live website that will be shared with other gamers across the globe. The world of gaming is waiting. Let's start the adventure!

Space is extremely limited so please sign up early.
LED BY IN-HOUSE SPECIALIST: JP Neang  |  SHOWCASE: Gamers’ Presentation

Week 7 (JULY 17-21): Music Tech: Beatronics
Before music is ever listened to, it is first created. In Beatronics (electronic beatmaking), Junior Beatmakers will dive headfirst into crafting an original song. They'll learn how to approach melodies, rhythms, and audio effects using Ableton Live – a fun and innovative music production program. Jr. Beatmakers will share their songs before family and friends in an unforgettable end-of-the-week live performance!

LED BY IN-HOUSE SPECIALIST: Sam Pulanco  |  SHOWCASE: Live Beats Performance

Week 8 (JULY 24-28): Musical Theater: Beauty and the Beast
Junior Performers will enter an enchanted world as they learn the classic tale of Belle and excerpts from “Beauty and the Beast.” They will learn valuable techniques and have a blast while immersing themselves in the magic of putting together a theatre production. Young performers will learn a scene or two from the musical - memorizing lines, dance moves, and lyrics to be performed at the end of the week. Come join us for this star-studded summer production!

This camp is designed as an intensive immersion program. Please arrange for your camper to be at camp for programming each day from 9:30a-4p and at Friday's culminating performance.

LED BY IN-HOUSE SPECIALIST: Jamie Roman  |  SHOWCASE: Theater Production

Week 9 (JULY 31- AUGUST 4): STEAM: The Maker’s Workshop
Ready to be an inventor? This maker workshop allows our Junior Makers to build, create, and ideate with the latest innovative technology. They'll learn the basics of soldering, circuitry, and most importantly using their knowledge to build an original product of their very own! Spend the week exploring how to make things from an automatic cat camera, musical fruit instruments, tech modules and a bit of imagination. What will your Junior Maker invent?

LED BY IN-HOUSE SPECIALIST: JP Neang  |  SHOWCASE: Inventors' Convention

Week 10 (AUGUST 7-10): Cooking: Culinary Creators
Does your child love to help in the kitchen? What if your child could help you cook dinner? In this short week of cooking camp, our Junior Chefs will learn basic culinary skills such as chopping, measuring, and how to read a recipe. At the end of the week, your Junior Chef will put their culinary skills into action to prepare a three course meal for you all to enjoy!

LED BY IN-HOUSE SPECIALISTS: Jessica Valdix & Dana Shichida  |  SHOWCASE: Three Course Feast
