

Kids' Country Relief Campaign

Save Our Sun (S.O.S.)

As a trusted school age child care provider in the San Ramon Valley for the past 35 years, Kids' Country is seeking your support to ensure that we are here for another 35 years and beyond!

On March 16th, Kids' Country's closed its doors for the first time since its establishment. This decision was to help stop the spread of COVID-19 in the community and to protect the health and safety of children, families and employees.

As an organization founded by parents who saw the need for a safe, convenient and fun place for their children, Kids' Country relies on enrollment to thrive and serve the community. Though we reopened under strict COVID-19 guidelines on June 1st, enrollment continues to be low. Kids' Country, a nonprofit 501(c)(3) is facing a projected \$2 million shortfall. **Without continued donations, increased enrollment, Kids' Country is at high risk of closing its doors permanently**, losing the quality & enriching experiences that support the development of children here in the San Ramon Valley.
